WELCOME & FAREWELL CEREMONY

COMPUTER LAB

SWOC Analysis

Strengths

- Multidisciplinary nature
- Demand of the subject
- Honest the teaching skills and orients learners towards teaching profession
- Active participation of students in departmental activities
- Computer swap course
- Tally package
- E – filling of tax return to be become self employed

Weakness

- Lack of Full-strength permanent faculty
- Inadequate space, in terms of laboratory and smart class room

Opportunities

Research opportunities: The subject offers a wide scope for gaining firsthand research experience through the preparation of dissertation at the post graduate level. This allows students to understand and address issues of contemporary relevance.

All the students are adequately trained to pursue their higher studies

Challenges

Future Plans of the Department

- To familiarize the learners with the latest pedagogical practices
- To conduct national and international level seminar .
- To orient the students towards using digital assessment tools
- To conduct workshop on modern techniques.
- To submit proposals for minor and major projects to ICSSR.
- To sensitize the students towards the contemporary educational issues by organizing frequent outreach programs.
- Initiative to make student to be self employed in the various project of msme .
- To create the awareness among students to pursue professional courses

**THANK
YOU**
