1961) Adding value to the life by establishing statues of different eminent luminaries of this locality in the College Campus. Their names to be noted as 2.01d and New Teachers get-together The old and new teachers get-together meeting was organized since 2002 with former Principal Sri P.C Raj as acting President and Late Maj. D.K. samantray as President of the Association with an objective to blend contemporary and traditional ideas to rejuinate the social and academic atmosphere of the institution. Now a days every one passing through hectic schedule and have no time for our family and friends get together facilitates inter action among participants. All teacher (retired, transfer and present working teachers) with their family attend the function on 3rd sunday of january every years. They come closure to each other and discuss their problems and get solution as the maximum says One hand washes the Other The problems of College are discussed and sorted out. Outcome: Teachers come closure to one another Infuses entertainment , enjoyment, exposer and learning Meeting traditional and contemporary generation and exchange ideas creates and exciting experience. We get valuable knowledge and explore new ways in solving our problems. No One us has sound knowledged in every field. So get-together function can be the best source of learning by shareing and exchange of knowledge. Retired teachers are felicitated and speak their experience. The gettogether provide a change of life to remain away from the monotonous life to relax for a day as said Variety is the spice of life. As all of us want to spend a peaceful life, we work hand to get money to make our life happy and pleasant. Usually we try to get joys by doing bit tasks but joys are also hidden in small things as well Get-together functions are the best sources of getting these joys.Life being very short, these small events also add for our

peaceful existance.

#### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Outstanding is what our students rate our efforts in nurturing all round development including organizational and leadership qualities. The management, the administration and the faculty members strive for this and go beyond teaching in order to redefine the academic excellence. Since the educational system is getting more and more student centric, It is duty of the institution to ensure appropriate standards for teaching and learning process are motivated to match their standards to the institutional as well as societal needs. To emerge as a hub for academic excellence To facilitate state-of-the-art teaching facilities to train students in emerging technologies. To provide training in emerging technologies through Placement Cell To provide quality education through academic cultural and physical activities To prepare talented youth as responsible and useful citizens for effective participation in all areas of development in order to achieve those mission institution has provided best efforts in following areas Curriculum Development : Choice based credit system has been implemented since 2015. The Syllabus is finalised through convening board of studies regularly inviting external experts of repute in the subject area Teaching learning process : Classes are conducted regularly by adopting innovative approach like collaborative learning, operative learning simulated teaching brainstorming and group discussion and in smart class rooms. Courses are completed by well trained and competent faculty members. CT enbled seminars are organised for the benefit of the students . This year due to the pandemic situation as the college remained closed for most of the time taking into consideration of the careers of the students ICT enabled online classes were

undertaken. Students also presented online seminars and online projects as part requirement of the degree course Question banks based on CBCS pattern have been prepared for ready reference. Time to time remedial Classes are conducted for benefit of Students
